Product information

MediaCenter-GF 1.0

Mobile, gas-spring height-adjustable support system including storage space for VS DUAL displays.

Mobile unit consisting of a steel frame with a body made of melamine-coated chipboard. Body with lockable drawers. 4 double swivel castors (100 kg load capacity per castor, or 300 kg total load capacity), 2 of which have foot brakes.
Pair of pylons (pair of columns) made from extruded, natural anodised aluminium profiles. Gas spring-assisted height adjustment, running smoothly, quietly and maintenance-free within the columns. Display in front of the pylons, vertically adjustable.
VS displays of the VS DUAL type in sizes 65, 75 and 86" are available.
Optional with a sound system, cable sets, OPC, projector, mini-PC and Apple TV.
Service: Includes freight, professional installation and handover with functional testing.
