

Product information

NetWork

Single and add-on table.

Frame. Four-sided top frame of half-oval tubular steel with screwed-on round tubular steel legs, either powder-coated or chrome-plated. With functional gap between tabletop and frame to accept accessories and adapters. The system consists of basic and add-on tables as well as hanging leaves. The tables are fitted with floor-leveling glides or castors.

Table heights are either fixed, adjustable in steps or continuously adjustable.

Tabletop of laminated, veneer- or linoleum-coated chipboard with plastic (KU) or beech (BU) edges. Choice of square or rounded corners.

Features (optional): Rectangular tables with 2 or 4 castors.

The following material groups are available: Frame made of steel tube: M1,(chrome-plated); Top made of chipboard: L6; Top made of linoleum: L8; Top veneered: F1.
