

Product information

NetWork

Single and add-on table for school.

Frame. Four-sided top frame of half-oval tubular steel with screwed-on round tubular steel legs in the case of rectangular and trapezoid tables, either powder-coated or chrome-plated. With visible functional gap between tabletop and frame. The tables are fitted with floor-levelling screws or castors, half-round tables only have 2 castors.

Table heights are according to DIN ISO 5970.

Tabletop of chipboard laminated with melamine-resin sheet, glued-on plastic or beech edges. Choice of square or rounded corners.

For further information on the NetWork-office table and desk product line see on table systems.

The following material groups are available: Frame made of steel tube: M1,(chrome-plated); Top made of chipboard: L6.

Further products on this page: KN-39.
