

Product information

Serie 800

Suspension filing for swing door cabinets.

Suspension filing frames are available in black, powder-coated sheet steel with a rolling bearing-mounted telescopic guide with over-extension, as well as self-closing mechanism on both sides and damping. The suspension filing frame can bear a maximum load of 50 kg and 2 or 3 units can be combined on top of one another. They can be secured using a pull-out lock. The grid height for installation is 35 cm.
