

Product information

Series 800

Magazine shelves for wall units and swing-door cabinets.

Magazine shelves are available in melamine-resin-coated chipboard and MFB board, each with glued-on plastic edges and slotted-in aluminium upturn. The shelves can be freely positioned by means of shelf supports in the holes and secured against slipping out. They are installed at an angle of 25°.

The following material groups are available: Bases made of chipboard: L6.
