

Product information

TeamTable

Freeform stand-at table.

Frame made from welded round steel legs with a rectangular steel top frame, all powder-coated.

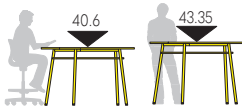

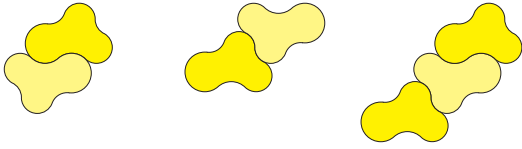

Table in 2 fixed heights.

Tabletop made from laminated, linoleum-coated, or veneered LIGNOpal chipboard with plastic or beech edge.

Function: The table features an innovative shape that invites collaboration, allowing each person their own space while still offering proximity to all other participants. Tables can be easily combined for larger group work.

Equipment and options: The table has a storage shelf made from laminated LIGNOpal chipboard under the tabletop for easy access to materials. Table with adjustable plastic or felt glides.

The following material groups are available: Frame made of steel: M1; Top made of LIGNOpal: L6; Top made of linoleum: L8; Top veneered: F1.
