DIN EN 1729 (Comfort Students' chairs)

h = 460	● Size class 6	VS seat shell size L
h = 510	● Size class 7	VS seat shell size XL

Note:

You can see which model your chair is by the sticker on the underside of the seat shell (with order number/ AB number, model number and delivery week/LW). Pupil chairs are colour-coded according to DIN EN 1729.

Please note the following markings:

A	= Model with armrests
P	= Model with upholstery

Standard glide element (pictured: Glide element at the back for Students' chairs)

Interchangeable glide element (pictured: Glide element at the back for Students' chairs)

The right glide element for the JUMPER Ply Active.

The glide elements used for chairs must be compatible with the floor covering. Otherwise, damage may be caused to the floor as, for example, in the case of the combination of plastic glide element and elastic floor covering. That is why we have worked together with the flooring manufacturer Armstrong DLW AG to develop the 2-component glide element for plastic floor coverings. Although this is also suitable for other floor coverings, it is nevertheless not always the optimum solution. Below you will find an overview of which glide element is recommended for which floor covering.

Floor covering	Optimum glide element	Alternative glide element
soft: - Carpet - Needle felting	Plastic glide element	2-component glide element but with reduced glide properties
elastic: - Linoleum - PVC - Rubber	2-component glide element	Felt glide element Regular cleaning necessary, e.g. with hard brush
very hard: - Parquet - Tiles, natural stone, stoneware - Sealed floor screed	Felt glide element	2-component glide element

Caution: Glide elements are wear parts and are therefore not covered by the unit's warranty. Worn, very dirty or missing glide elements can damage floor coverings. To ensure correct operation, we recommend that you examine the glide elements at appropriate intervals and replace them if necessary.

ET0021 15.10€

Plastic glide element, front

for Students' chairs: 33450

for Comfort Students' chairs: 33451

Contents: 10 units for 5 chairs
