Assembly instructions

Current accessories for work tables in customer use.

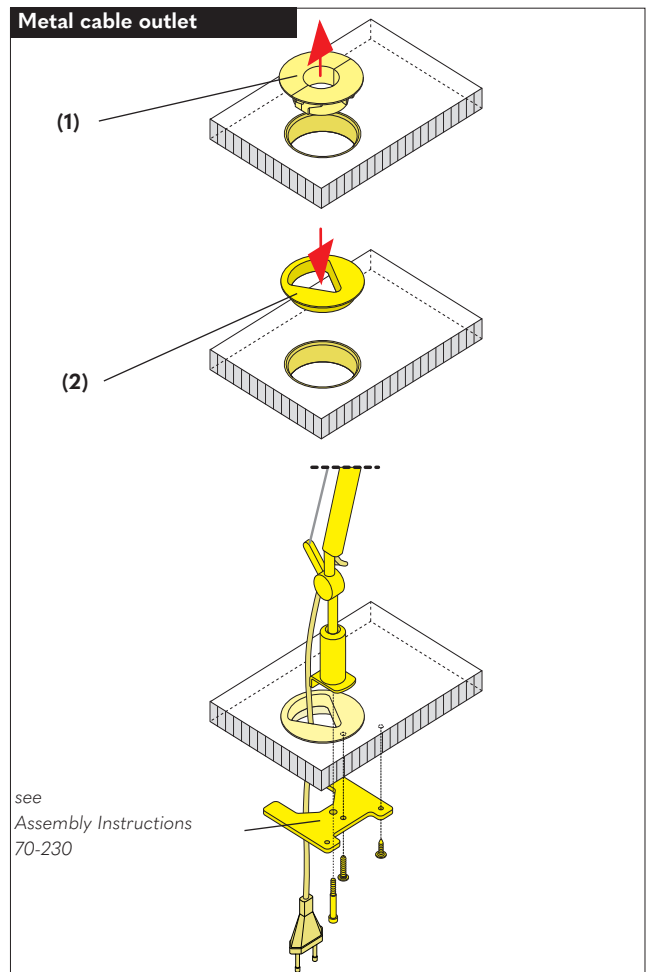

(Work tables delivered before 06.2015)

Work table with plastic cable outlet

Remove plastic outlet **(1)** including the plastic ring **(2)**. Insert the new plastic ring **(3)** followed by the new 1-part metal cable outlet **(4)**.

For further information, see the current Assembly Instructions 70-230.

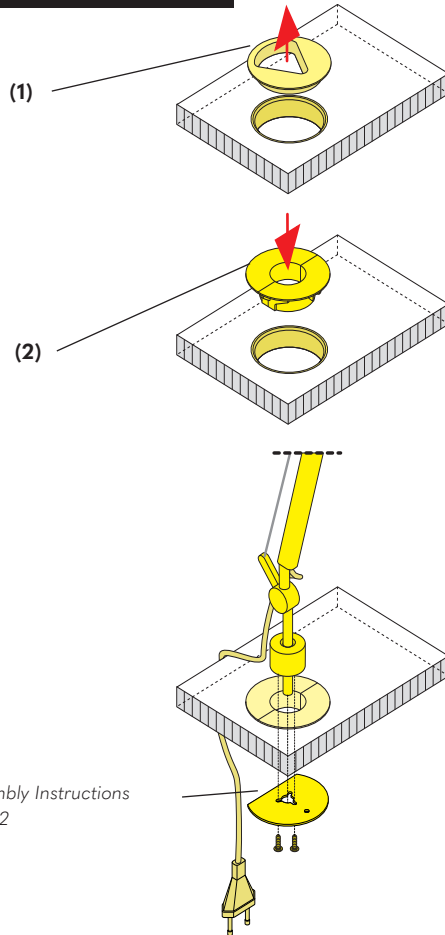

Work table with metal cable outlet

Remove the old 2-part metal cable outlet **(1)** and then insert the new 1-part metal cable outlet **(2)**.

For further information, see the current Assembly Instructions 70-230.

Metal cable outlet

Work table with metal cable outlet:

Remove the current 1-part metal cable outlet **(1)** and insert the "old" 2-part metal cable outlet **(2)** (model 91-673-61). The model 91-673-61 can still be ordered separately.

For further information, see the "old" Assembly Instructions 70-332.
