Lever Cylinder Locks.

Procedure for Ordering Keys and Inner Cylinders

Please fill out the order form on page 2.

Enter all required key numbers and the corresponding quantity under the appropriate lock group.

Keys from lock groups 18001–18500 and 4000–4099 have a delivery time of approximately one week.

Inner cylinders from lock groups 18000 and 4000 are compatible with each other.

Note on the Key Number:

You can find the key number on the inner cylinder or on the key.

Please also note the sticker on your model, which includes the order (AB) and model numbers, as well as the delivery week (LW).
